

### **Three postdoc positions at GeoSLU, The Geospatial Institute at Saint Louis University**

Saint Louis University, a Catholic, Jesuit institution dedicated to student learning, research, health care, and service, is seeking applicants for three postdoctoral positions in Geospatial Science Starting July 1, 2020.

These individuals selected should have strong technical expertise and computing skills. Thematic areas of interest include Remote Sensing and AI/ML, spatial statistics, and spatial epidemiology and public health. The candidates are expected to have a record of scholarly research and publications, and a strong desire and ability for publications and research proposal writing. Successful candidates must hold a Ph.D. in Geospatial Science, Geography, Computer Science, Sociology, Public Health or related areas with strong computational skills.

Applications must be submitted online at <http://jobs.slu.edu> and include a cover letter, CV, statement of research interests, statement of teaching interests and experiences, and contact information for three or more potential references. All other correspondence or questions regarding this position can be directed at [Vasit.Sagan@slu.edu](mailto:Vasit.Sagan@slu.edu) (Remote Sensing and AI/ML), [Ness.Sandoval@slu.edu](mailto:Ness.Sandoval@slu.edu) (spatial statistics), and [Enbal.Shacham@slu.edu](mailto:Enbal.Shacham@slu.edu) (spatial public health and epidemiology). Review of applications will begin immediately and will continue until the position is filled.

Saint Louis University is an equal opportunity/affirmative action employer. All qualified candidates will receive consideration for the position applied for without regard to race, color, religion, sex, age, national origin, disability, marital status, sexual orientation, military/veteran status, or other non-merit factors. We welcome and encourage applications from minorities, women, protected veterans, and individuals with disabilities (including disabled veterans). If accommodations are needed for completing the application and/or with the interviewing process, please contact Human Resources at 314-977-5847.
